

BUILD A REWARDING CAREER IN WOOD LOVE WHAT YOU DO

Consider a career as a
GENERAL LABOURER

Are you looking for a great entry into a
woodworking career and ready to receive
on-the-job training?

As a General Labourer, you would assist other team
members in completing jobs within the deadline, both in
the shop and on-site.

Some responsibilities may include helping co-workers by
delivering the materials and equipment necessary to
complete projects on time, keep sites/shops clean, prepare
and have the necessary tools on hand for specific projects.

You will need to have good physical fitness, have excellent
safety practices, be coachable, have communication skills
and work well as a team member.

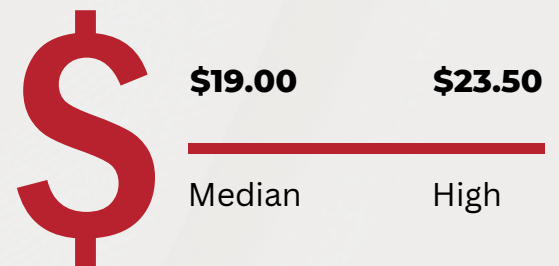

OPPORTUNITIES

Opportunity to advance and learn on the job to transition
into other roles such as assembler, installer, machine
operator, etc.
